Pairing Switches Before Wi-Fi is Installed

Cync Smart Switches auto-detect other Cync Smart Switches upon installation. This enables Cync Smart Switches to temporarily pair together before Wi-Fi is set up. Once Wi-Fi is available, follow the Cync App setup instructions and group switches in the same Room or Group to maintain 3-way connectivity.

3 Ways to Get Started

	Cync	Matter	Savant
Set schedules & control away from home	✔	✔	✔
Connect to Amazon Alexa & Google Assistant	✔	✔	✔
Connect to Apple Home & Samsung SmartThings		✔	
Group switches without Wi-Fi enabled	✔		
Create virtual 3-way connections	✔		✔
Control Cync bulbs on other circuits	✔		✔
Adjust dimming range (dimmer switches only)	✔		✔
Personalized app experience	✔		
Installation method	DIY	DIY	PRO

Please note: You may see a "set up using Matter" notification on your phone. To set up in the Cync App, powered by Savant, dismiss the notification.

GE

Cync™

Travel + Neutral Wire Smart Switches
Quick Start Setup Guide

Welcome to Cync!

You've chosen a great product to enhance your smart home living and entertainment.

There are 3 ways to get started, which are outlined in this guide. Use the native Cync App to connect all of your Cync products and get the full range of features. Connect via Matter to streamline your smart products. Lastly, with a professionally installed Savant System, a pro can commission this Cync product in your Savant home.

Learn more about all 3, and choose which set up is right for you.

Get Started With Cync

Enable all Cync features

Install Smart Switch and power on.

Scan QR code to download the Cync app and complete set up:

Get Started With Matter

Connect with other smart products

NOTE: *If you already have Cync devices in the Cync App, add your new device to the Cync App, then enable your voice assistant.*

Install Smart Switch and power on.

Open your preferred smart home app:

· Google Home
· Samsung SmartThings
· Amazon Alexa
· Apple Home

and scan the Matter QR code or enter the 11-digit code on the device sticker to complete setup.

Get Started With Savant

Professionally installed smart home

Contact a professional installer to get started.
